”service for \$10 for Shadowbrook Homeowners Association”

Current Customers:

Please contact:

Alex Schutman
Residential Sales Representative
952-454-0732
Aschutman@republicservices.com

for assistance in taking advantage of this great offer (1 year contract at current rate).

Republic Services is 100% supported by the Shadowbrook Homeowners Association as our preferred waste service vendor. Their service and pricing to our Association has been fantastic for over 9 years. ***Of more importance, Shadowbrook is working towards having this vendor be the only waste service provider within the development to reduce the number of large trucks going through our neighborhood and, thereby, increasing the safety of all that live, work and play within the development (especially our young children).***

If you have any questions regarding this service/offer, please feel free to call or email Rick Belin at:
